

BLOOM

1. Description of Data:

- a. Name: Allison (no pseudonym)
- b. Ages: Allison I - 16,3 (months, weeks)  
Allison II - 19,2  
Allison III - 20,3  
Allison IV - 22  
Allison V - 28,1  
Allison VI - 34
- c. All of the observations took place in a TV recording studio at Teachers College, Columbia University. The methods and materials used in these sessions are detailed in the Appendix to *One Word at a Time* (pp. 146-149). Allison is an only child, born in 1968; her father is an attorney, her mother is Lois Bloom.
- d. Data media: Allison I - IV, typeset (xeroxed from DWT); Allison V and VI, typewritten (xeroxed copies).

2. Restrictions on the use of the data:

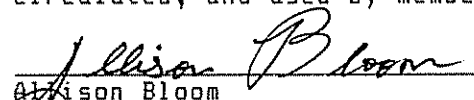

- a. The following acknowledgement should be included in any published report or unpublished dissertation that results from the use of these data:

*Allison was the subject of the study of language development that was reported in the monograph One Word at a Time: The Use of Single Word Utterances Before Syntax. Lois Bloom, The Hague: Mouton, 1973. The original collection and transcription of these data were made possible by research support provided by The National Institutes of Health to Lois Bloom.*

- b. One copy of any published report or unpublished dissertation that make use of these data is to be sent to:

Lois Bloom  
Teachers College, Columbia University  
525 West 120th Street  
New York, New York 10027

We do not hold either Carnegie-Mellon University or Brian MacWhinney responsible for matters involving the use of the data by members of the Data Exchange System, and further we indemnify and hold harmless Brian MacWhinney and Carnegie-Mellon University from any and all actions at law or in equity or in a similar court in any jurisdiction which might arise from our having given permission to allow said material to be copied, circulated, and used by members of the Data Exchange System.
